

Good Booze And Bad Women

Humble Pie

Straight on up
You know I'm gonna do it right
I want to stroke ya
Choke ya

Whisk you up and roll all night
I'm a weekend dreamer
Don't hesitate
And that's fun

To do it to the man--with me
Never need to worry
Yes I'm a weekend dreamer
Got 24 hours to get rich

Get rich
I'm having shorties with the roadies
While the group is knocked out with turn tails
Tonight I'm a rambler

See I'm a Ted--that's right
Do it to the man--with me
Never fails to work
Fails to work

I'm gonna swing my hat
And Sunday look around for girls
To get myself together
Have to face that Monday morning's work alright

I'm a weekend dreamer
On the way to work
Feel real bad
Do it to the man--with me

Never fails to work
No not to be till Monday need ya
Never failing
You do to the man Baby

Never fails to work
