

Home And Away

Humble Pie

When she turns away I cry
All I want to know is why
Shut the light out, close your eyes
When you wake her, say goodbye.

What does she do when I hide?
When can I be by her side?
Yes again, again, again.

Strap me in a ship that flies
Hit the ground, you breathe a sigh
Kiss the ground, she smiles hello
Time apart just makes love grow.

What does she say to make me feel good?
Now that I'm here by her side
Once again.

I'll give you all I have
Don't you see I'll give my life?

Autumn comes again so near
Leaves are falling fast I fear
Turn the heat on, wipe your eyes
What you have can never die.

Now is the time that I know why, know why
When can I be by her side?
Yes again.

I'll give you all I have
Don't you see I'll give my life?

I'll give my life for you
I'll give my life for you.
