

Honky Tonk Women

Humble Pie

We wanna pay a tribute to the Rolling Stones, alright!

Ah sitting in a bar out in Georgia, yes sir Lord
Oh I do my best but sure's a lonely show
Met a barroom Queen down in Texas, Lord, oh yeah
But I just can't get, get you off my mind.

Oh honky tonk, honky tonk, tonk woman
Gimme, gimme, gimme the honky tonk blues.

Later, it was late in New York City, believe me yeah
I had to put on some kind of a show
In a while my baby covered me with sweet sweet lovin', oh yeah
She blew my nose, she blew my mind.

Oh honky tonk, honky tonk, tonk woman
Gimme, gimme, gimme the honky tonk blues
Oh your sweet daddy.

Oh honky tonk, honky tonk, tonk woman
Gimme, gimme, gimme the honky tonk blues.

Oh honky tonk, honky tonk, tonk woman
Gimme, gimme, gimme the honky tonk blues.

Oh honky tonk, honky tonk, tonk woman
Gimme, gimme, gimme the honky tonk blues.

Oh honky tonk, honky tonk, tonk woman
Gimme, gimme, gimme the honky tonk blues.
