

## Hot'n' nasty

Humble Pie

Find it (Who that?)  
Mercy (Who that sayin' mercy?)  
So hot 'n' nasty.

Hey Joe, don't forget to shake it  
While you're sleepin' on that bed  
You know it really makes it  
Look at me shake a leg, no.

I got my head in a cloud  
I'm gonna stand up and shout  
I wanna sing out loud  
Oh, got to do it with the feelin'  
Now you gonna hit the ceiling.

(Do you get the message?) yeah  
(Do you get the message?)  
(Do you get the message?)  
(Do you get the message yeah?)

Hey boogaloo, I really love you  
Look what you've done to my head  
Take all my time, take all my money  
But most of all you take all my bed.

I got my head in a cloud  
I wanna sing it loud  
I'm gonna stand right here and shout  
You got to do it with the feelin'  
Well, you gonna hit the ceiling.

(Do you get the message?) yeah  
(Do you get the message?)  
(Do you get the message?)  
(Do you get the message yeah?).

Don't forget to shake that thing.

Do you get the feelin'? Oh yeah  
Then you gonna, then you gonna hit the ceiling  
Hot 'n' nasty, hot 'n' nasty  
It's hot 'n' nasty, so hot 'n' nasty...
