

# I Don't Need No Doctor

Humble Pie

I don't need no doctor 'cause I know what's ailing me  
I don't need no doctor 'cause I know what's ailing me  
Yes I do, all I need is my baby  
You don't know I'm in misery

I don't need no doctor  
I don't need no doctor

I don't need no doctor  
My prescription tells me that  
I don't need no doctor  
I don't need no doctor

I don't need no doctor  
My prescription tell me that  
I don't need no doctor  
I don't need no doctor

All I need is my baby  
You don't know [Incomprehensible]  
I don't need no doctor  
I don't need no doctor

Well, the doctor said I need rest  
He put me on the critical list  
Keeping me safe from harm  
All I need is her sweet charm

He gave me a medicated lotion  
That wouldn't do  
My emotion

I don't need no doctor  
I don't need no doctor  
I don't need no doctor

I don't need no doctor  
I don't need no doctor  
No doctor  
No doctor

I don't need no doctor  
I don't need no doctor  
I don't need no doctor  
...

I don't need no doctor  
I don't need no doctor  
I don't need no doctor

I don't need no doctor  
I don't need no doctor  
I don't need no doctor

...  
Had a good time  
Had a good time

Had a good time

I don't feel good  
I don't feel good  
I don't need no doctor

I don't need no doctor  
I don't need no doctor  
I don't need no doctor

I don't, I don't feel  
I don't, I don't feel

I don't need no doctor  
I don't need no doctor  
I don't need no doctor  
I don't need
