

# I Wonder

Humble Pie

Sometimes I sit here in this chair  
And I wonder  
I said, I wonder, oh, where can you be  
This dark and lonely night

I wonder if you're holdin'  
I wonder if you're holdin' someone tight now  
I said I wonder  
Wanna tell you my heart's been breakin'

You know I feel such a fool to let it keep on achin'  
But one day I feel I may wake up  
And find I was mistaken  
That's what keeps me wonderin'

I say, I wonder, I wonder baby  
Where can you be this cold and dark and rainy  
Miserable night

I wonder if you're holdin'  
I wonder if you're holdin' someone else tight  
You know I wonder  
(Here I go)

I wanna tell you  
My heart's been breakin'

I feel such a fool to sit here and let it keep on achin'  
One day I may wake up and find I was mistaken  
That's what keeps me wonderin'  
Said I wonder, I said I wonder  
I wonder where you been and what you been doin'
