

Live With Me

Humble Pie

In the midst of all my sorrow
The one I love has left my side
And for me there's no tomorrow
No time for laughing, if I could, I would have tried.

Live with me, yeah
Baby, will you live with me? Yeah
Live with me, ooh
Baby, won't you live with me, live with me, yeah?
I really, really need you
Live with me, live with me
Live with me, yeah, no more, no more, yeah.

I didn't really do you wrong when I lied, no
I didn't really say those words to make you wanna go
So come back baby, to my side
A love like yours, baby, I can't hide.

So won't you live with me?
Oh yeah, won't you live with me?
Live with me baby, live with me, yeah yeah
Live with me, live with me yeah
Live, won't you live with me, live with me?
Well, you know you must, you must, oh oh
No more.

You know sometimes you make me feel so mad
Sometimes, you make me feel so sad
Oh oh, do you wanna be tied?
All I wanna know, do you wanna be my bride?

Oh won't you live with me, yeah?
Ooh-ooh, yeah, ooh
Oh won't you live with me, yeah?
Oh won't you live with me, oh mama?
Oh won't you live with me, oh yeah?
Won't you live with me, oh Lord?
Well, you know you, you're still my baby
You're still my baby
Oh, oh
Oh, oh
Oh, oh.
