

## No Way

Humble Pie

You know how much I love you  
You know it's all right  
You know how I like it  
All night, it's out'a sight  
Hey, you look so cool, girl  
But I know your school, girl  
I ain't gonna get fooled again  
'Cause I've been there before  
And I don't want no more  
Hold it for another friend  
Well, you had the power  
Now you're a dead flower  
You know, well, how does it feel  
Well, I'm just waiting here  
I said, my time is right  
Now the love seems to light  
You know how much I love you  
You know it's all right  
You know how I like it  
All night, it's out'a sight  
I've got me a new girl  
And when I got through with you, the real thing  
It was just a mess  
I treated you real nice, girl  
Now you in turn pay the price, girl  
And I always did my best  
I tried and tried  
I tried to keep you satisfied  
But you just totally put me off  
So now here's the situation  
I'm gonna take me a permanent vacation, haha  
I'll go, now I'll go, now see I'm going for good  
And you always said, Steve, you know you should  
And I say, I would if I could  
Now you tell me  
You know how much I love you  
You know it's all right  
You know how I like it  
All night, it's out'a sight  
You know how much I love you  
You know it's all right  
You know how I like it  
All night, it's out'a sight  
No way
