

## Old Time Feelin'

Humble Pie

I'm takin' my time  
Hangin' my days in sunshine  
Feel just like how I wanna be  
I feel all right, gettin' that old time feelin' in me

I think of the days  
When all my nights were only  
Half of what they used to be  
I'm changin' all these changes  
Gettin' that old time feelin' in me

I'm lookin' out  
My kitchen door is open  
To everyone and everybody  
'Cause the day I get home  
I get that old time feelin' in me

I think of the days  
When all my nights were only  
Half of what they used to be  
I'm gettin' that old time feelin' in me
