

Old Time Feelin'

Humble Pie

I'm takin' my time
Hangin' my days in sunshine
Feel just like how I wanna be
I feel all right, gettin' that old time feelin' in me

I think of the days
When all my nights were only
Half of what they used to be
I'm changin' all these changes
Gettin' that old time feelin' in me

I'm lookin' out
My kitchen door is open
To everyone and everybody
'Cause the day I get home
I get that old time feelin' in me

I think of the days
When all my nights were only
Half of what they used to be
I'm gettin' that old time feelin' in me
