

Summer Song

Humble Pie

I know I don't, I don't believe in old promises
Just want you back again
I know I wrote this longing for you
Is strong throughout the land
Won't you listen to my summer song ?
How long, how long, how long ?

I try to say what I mean 'cause I mean to stay
I try to stay where I been 'cause I been where I stay.

Oh listen to my summer song
How long, how long, how long ?

I know mistake's been made
You know I changed my ways
You'd better hear my voice 'cause I've made my choice
Honey, you be on my ways
Ah listen to my summer song
How long, how long, how long ?

Try to say what I mean 'cause I mean what I say
Yeah I try to stay where I been 'cause I been where I stay, uh
yeah.

So won't you listen to my summer song ?
How long, how long, how long ?
