

Tin soldier

Humble Pie

Come on.

I'm a little tin soldier that wants to jump into your fire
You are a look in your eye, a dream passing by in the sky.

I don't understand
And all I need is treat me like a man
I ain't no child, take me like I am.

(I got to know I belong to you)
(Do anything that you want to do)
(Sing any song that you want me to) sing to you.

I don't need no aggravation
I just got to make you
I just got to make you my occupation.

(I got to know I belong to you)
(Do anything that you want to do)
(Sing any song that you want me to) sing to you.

All I need is your whispered hello
Smiles melting the snow, nothing heard
You eyes are deeper than time
Say a love that won't rhyme without words.

Now I've lost my way
I need help to show me things to say
give me your love before mine fades away.

(I got to know I belong to you)
(Do anything that you want to do)
(Sing any song that you want me to) sing to you.

No, no
No, no
All I need is satisfaction
I just want some reaction
All I want to do is stick with you 'cause I love you.
