## **Little Toys**

## **Hundred Reasons**

Curb it just for a moment You called up just to lay it down All i want is to hang up Just to take ten seconds out Misguided is what i never Chose to be in major amounts At times I am not so clever I read from the sculptures in clouds Can you just leave What's the worst in pretending Remove the noose from my throat Wanted help for your mood swings That changes all that I am Misquided is what I never Chose to be in major amounts At times I am not so clever I read from the sculptures in clouds Last one found out
