The Great Test

Hundred Reasons

You failed the first great test And time waists for no man Would try to digest Make your stand

Forgone forget the lecture so long when did you make your choic e

Stay calm take a hold of yourself and wound the others with you r self denial

When you don't appreciate

You work against the other man

And when all you do is taking

And don't thank

Forgone forget the lecture so long when did you make your choic e

Stay calm take a hold of yourself and wound the others with you r self denial

You'd release the burden if you gave up and left
