

# Hurt

Hundredth

[Hidden Track]

[cover of Johnny Cash's legendary adaptation of the Nine Inch Nails song]

I hurt myself today to see if I still feel. I focus on the pain,  
the only thing that's real.  
The needle tears a hole, the old familiar sting. Try to kill it  
all away, but I remember everything.

What have I become my sweetest friend? Everyone I know goes away  
in the end.  
And you could have it all. My empire of dirt. I will let you do  
wn. I will make you hurt.

I wear this crown of thorns upon my liar's chair. Full of broken  
thoughts that I cannot repair.  
Beneath the stains of time the feelings disappear. You are some  
one else. I am still right here.

What have I become my sweetest friend? Everyone I know goes away  
in the end.  
And you could have it all. My empire of dirt. I will let you do  
wn. I will make you hurt.

If I could start again, a million miles away, I would keep myself.  
I would find a way.

I will let you down. I will make you hurt. I will let you down.  
I will make you... I will make you hurt.
