Invisible

Hunter Hayes

Crowded hallways are the loneliest places For outcasts and rebels Or anyone who just dares to be different And you've been trying for so long To find out where your place is But in their narrow minds There's no room for anyone who dares to do something different Oh, but listen for a minute Trust the one Who's been where you are wishing all it was Was sticks and stones Those words cut deep but they don't mean you're all alone And you're not invisible

Hear me out, There's so much more to life than what you're feeling now Someday you'll look back on all these days And all this pain is gonna be invisible Oh, invisible

So your confidence is quiet To them quiet looks like weakness But you don't have to fight it 'Cause you're strong enough to win without a war Every heart has a rhythm Let yours beat out so loudly That everyone can hear it Yeah, I promise you don't need to hide it anymore Oh, and never be afraid of doing something different Dare to be something more

Trust the one Who's been where you are wishing all it was Was sticks and stones Yeah, the words cut deep but they don't mean you're all alone And you're not invisible Hear me out, There's so much more of this life than what you're feeling now And someday you'll look back on all these days And all this pain is gonna be invisible

These labels that they give you just 'cause they don't understand If you look past this moment You'll see you've got a friend Waving a flag for who you are And all you're gonna do Yeah, so here's to you And here's to anyone who's ever felt invisible

Yeah, and you're not invisible Hear me out, There's so much more to life than what you're feeling now And someday you'll look back on all these days And all this pain is gonna be invisible It'll be invisible Tištěnoz www.txp.cz Sponzor: www.srovr
