

What You Gonna Do

Hunter Hayes

Who wakes you in the morning comes, Who calls you every late night
Who comforts you when you're in need, Who always tries to treat you right
Who gives you all he has to give, Who would dedicate his heart to you
Who fulfills all his promises and who sees the good in you

Tell me what you gonna do when I'm gone
Oh and where your gonna go when there's nobody home
And who's gonna love you when you're all alone
Tell me whatchya gonna do when I'm gone
Yeah whatchya gonna do when I'm gone
I just wanna know
Who cries knowing you don't care and Who worries what the future holds
Who fears the road ahead and Who's heart is turning into stone
Who prays for your safe return and who misses you when you're away
Who's tired of empty promises and who's tired of all the games you play

Tell me whatchya ya gonna do when I'm gone
Oh and where your gonna go when there's nobody home
And who's gonna love you when you're all alone
Tell me whatchya gonna do when I'm gone
I just wanna know whatchya going do gonna do when I'm gone
Tell me whatchya gonna do

Tell me whatchya gonna do when I'm gone
Oh and where your gonna go when there's nobody home
And who's gonna love you when you're all alone, when you're all alone
Tell me whatchya gonna do when I'm gone
Oh whatchya gonna do when I'm gone
I just wanna know, when I'm gone

When there's no one home and your all alone
Will you be just be fine alone or will you cry when I'm gone
Wanna know wanna know
Oooohhh whatchya gonna do when I'm gone
Tell me whatchya gonna do when I'm gone
