

# Misery

Hunter

I feel your pain, sicken war over me  
Who help you die? MISERY!  
I see your death, lonely road to the sea  
FORGOTTEN SEA ...

You - You can't cross this way  
You can feel your pain  
Can you hear my crying?  
You - You can't breake it down  
You can't stop it now  
MISERY - YOU'RE INSIDE OF ME!

How could you think  
You can win war so mad?  
The last one will live!  
Award will make him sad  
Here comes the rain  
Sweet hopes of one  
Nightmares for others  
THAT'S MISERY!

You - You can't cross this way  
You can feel your pain  
Can you hear my crying?  
You - You can't breake it down  
You can't stop it now  
Can you hear me?

MISERY  
I can feel so more real  
I can not find myself  
I will die... Morbid lie!  
MISERY- YOU'RE INSIDE OF...  
OF ME!
