

The Undertaker...

Hunter

I am not the one...who will doubt...
I am not the one...
who will lose...
Your steps in the mist...
I am the one...
who lasts forever...
Who lasts forever...

I am not the one...who will blunder!
I am not the one...
who will blunder when...
You wade in the mist!
I am the one...
who lasts forever...
Who lasts forever...

I am Your shadow...
But You
see hell in me
Time...
Time heals the pain...
But it...
will last forever!!!

I am Your shadow...
But You
see hell in me
Time...
Time heals the pain...
But it...
will last forever!!!
