

## Skin Of Our Teeth

### Hunters & Collectors

Mould the hair back  
Reveal fine shaped forehead  
And see it go scrabbling  
Scrabbling under the bed  
Here's to God-fearing  
God-fearing good living  
And we'll be hanging by the skin of our teeth again  
Spinning by the skin of our teeth again  
And dangling by the skin of our teeth again  
And hanging by the skin of our teeth again  
And dangling by the skin of our teeth again  
And hanging by the skin of our teeth again  
Spinning by the skin of our teeth again
