

I Don't Like It

Huntingtons

you, you and me
tend to disagree
but you, you've gone too far
cause you, you broke my heart

i don't like it
i don't like it
i don't like it baby
i don't like it

you, you had to go
cause i, was going to slow
but you, you've gone to far
cause you, you broke my heart
