

# I Don't Wanna Save The World

Huntingtons

i don't wanna be you're friend  
i don't wanna see you're band  
i don't wanna be like you  
i don't wanna sniff some glue no

i don't wanna get a job  
i don't wanna be a slob  
i don't wanna join you're clan  
i don't wanna hold you're hand no

i don't wanna be confined  
i don't wanna lose my mind  
i don't want a padded cell  
i don't wanna got to hell no
