

I Don't Want It To End This Way

Huntingtons

oh life can be so good
you don't need my to hold you're hand
i hope that it's understood
you've had no one you don't need me to stay

'cause i don't want it to end this way
i don't want you to cry
i don't want it to end this way
i don't want you to die

(??) falls back easily
i didn't know that yours was (??)
i just saw that somethings different here
oh tell me what i have to do

this way tonight please promise me
you'll sleep and dream and wake up once again
oh don't be a casualty
don't leave you're life don't miss what might happen

'cause i don't want it to end this way
you have so much life
i don't want it to end this way
i don't want you to die
