

Eight of Swords

Huntress

Eight swords form a cage
the sky is gray
I'm tied and I am blind
there is no escape
the cards will tell the truth
the laws of motion rise!

Eight of swords
trouble or trick?
kill the heretic!

Eight of swords
devil's cards of sin
let the witches in!

my clothes are wet and torn
I stand in waste
these blades can set me free
the mirror keeps me insane
eight swords form a cage
the sky is grey
I'm tied and I am blind
I don't want to escape!
the cards will tell the truth
the laws of motion rise!

Eight of swords
trouble or trick?
kill the heretic

Eight of swords
devil's cards of sin
let the witches in!

These swords don't protect you
the blind you
more!

only one will do
let the witches in
let the witches in
