

# Spell Eater

Huntress

Spells seize my mind  
Tied to the shrine  
Forever

Spells feed this secret life  
Obey the rite  
Forever

Apothecary  
Poison me  
Feed me

Spells eat my head  
Bound, spead and bled  
Forever

Mandrake and henbane  
In my veins  
Bleed me

Reveal your scroll  
Come feed my starving mouth and soul

I can't stop, spell eater  
I'm the spell eater

Hallucination  
Alchemy  
Deathly

Come visualize  
The horned god laying by your side

I can't stop, spell eater  
I'm the spell eater  
I can't stop, spell eater  
I'm the spell eater
