

Is That You?

Hurray For The Riff Raff

I saw your ghost at the grocery
I could have sworn that was you
I thought you were standing next to me
But I knew that couldn't be true

I saw your ghost at the grocery
I could have sworn that was you
I thought you were standing next to me
But I knew that couldn't be true

Is that you?
Is that you?
Is that you?

Your picture
Is still
On my wall
On my wall
The colors
Are bright
They are bright
As ever

Is that you?
Is that you?
Is that you?
Is that you?
Is that you?
Is that you?
Is that you?
Is that you?
