

## Is That You?

Hurray For The Riff Raff

I saw your ghost at the grocery  
I could have sworn that was you  
I thought you were standing next to me  
But I knew that couldn't be true

I saw your ghost at the grocery  
I could have sworn that was you  
I thought you were standing next to me  
But I knew that couldn't be true

Is that you?  
Is that you?  
Is that you?

Your picture  
Is still  
On my wall  
On my wall  
The colors  
Are bright  
They are bright  
As ever

Is that you?  
Is that you?  
Is that you?  
Is that you?  
Is that you?  
Is that you?  
Is that you?  
Is that you?  
Is that you?
