Lenore
Lenore
Lovely Lenore
My sweet Lenore
Lenore
Lenore
Only Lenore
Only Lenore
Well you were the only one for me
You were the only girl I'd see
And I know
When I go it's only Lenore

Well I know
Exactly
The day that I'll die
I'll make my last wish
And I'll drink to the sky
And I know
That my girl'll be waiting for me

Lenore
Lenore
Lovely Lenore
My sweet Lenore
Lenore
Conly Lenore
Only Lenore
