An Awful Crime

(Intro) Play games with me lady, I'll show you the rules Keep your head, and you can't lose You turn around and see what you've done Stop your man and make him right And every day and every night From searching stupid honies on the road Oh baby, oh baby, oh baby, I love you Be around and keep me on the line Oh darling, oh darling, oh darling, I need you Losing you would be an awful crime (Solo) I want to see my lady every night Turn me on and treat me right Lay me down and then you count again Stop your man and keep inside And every day and every night From searching stupid honies on the road Oh baby, oh baby, oh baby, I love you Stick around and keep me on the line Oh darling, oh darling, oh darling, I need you Losing you would be the end of time (Solo
