

Find A Lady

Hurricanes

Hey big papa
Snowin' all the time
Got to tell you something
Troubeling my mind
The cat, is fat , is black, the cat
Find a lady
What can I do when there's nothing to do
Hunt a chicken but it's getting true
Down in Alabama
Buggin on a the rat
Never see my mama
Singin' in the plat
The hat , is black , is flat , the hat
Find a lady
Nobody knows if I'm gettin' late
But you know I won't wait
I got a hole in my pocket
Got a Beaver jeans
Try to steal my baby
I'm going home
