

Muskogee

Hurricanes

Well I'm lookin' at you mama
Give a bit your coke
Gimme just a little
I'm fit to take a toke
I'm leaving for Muskogee
An' if you wanna go
Just tell it to me darlin'
An' we can just blow
Well when you sock it when you walk
An' when you wanna bowl
Give it to me honey
Lemme rock it to your soul
Meet me early Monday
Skippin' off my job
I'll hang around the grille'
It's gonna be hot
Well when you say believe me
We're leavin' in the dark
Ain't nothin' to yuh baby
Meet you at the park
I'll hear you when you're comin'
An' knocking on my door
Oh really gotta do it
Just like we said before
