

# House Carpenter

Hurt

Our mistake was the love we made  
I didn't deliberate  
But I never meant you wrong  
No I didn't mean it

If you've ever lost a loved one  
I pray for you, I really do  
If you've ever lost a loved one  
I pray for you...

'Cause there s a sad and lonely comfort  
In the hollow of your eyes  
But don't you let it take you over  
'Cause it will eat you up inside

I heard you're married to a house carpenter  
And your love will never be mine...

If you're not breathing why am I  
Left alone in this ship  
If you're not breathing  
Why am I left alone?  
With a sad and lonely comfort  
Of the hollow in your eyes  
But don't you let it take me under  
'Cause it will eat me up inside

I'm sure you're married to your house carpenter  
And your love will never be mine ...  
All the pain and the way it was  
All of the shame and the hate, because  
I was in love with the way it was  
All that I do I do for you

All the pain and the way it was  
All of the shame and the hate, because  
I was in love with the way it was  
All that I do I do for you  
If you're not breathing  
Why am I? left alone in this shit.  
If you're not breathing  
Why am I left alone?

With a sad and lonely comfort  
Of the hollow in your eyes  
But won't let it take me over  
'Cause it will eat me up inside

I'm sure you're buried with your house carpenter  
And your face I'll never see no more  
Your face I'll never see no more  
Your face Your face Your face Your face...

With a sad and lonely comfort  
Of the hollow in your eyes  
But I won't let it take me under  
'Cause it will eat me up inside

Yeah I heard your married to a house carpenter  
And your love will never be mine  
No, your love will never be mine...
