

## Shallow

Hurt

You're watching the cars,  
Movies and stars  
They are your lifetime  
Yet all that I am is  
Half what we are  
Maybe some other time

I'll get it right I'll get it right  
Oh sweet voice on the phone  
You sound so alone  
'Cause you couldn't be wasted  
Yet all that I ever was  
To you I am  
I'm less than a man

That slowly changes out of phase  
And I don't know why it is  
It's an ever-changing simple thing  
That I miss  
While watching TV  
Take in what you say

So you're death is painless  
When all that I ever was  
Returns again  
I'm all that I am  
And I'll get it right  
When I get it right  
'Cause I'll get it right  
When I get it right

But I'm slowly changing out of phase  
And I don't know why it is  
It's an ever-changing simple thing that I know  
But don't know why it is  
That I'm longing for  
A sweet embrace, which I miss
