Shallow

You're watching the cars, Movies and stars They are your lifetime Yet all that I am is Half what we are Maybe some other time

I'll get it right I'll get it right
Oh sweet voice on the phone
You sound so alone
'Cause you couldn't be wasted
Yet all that I ever was
To you I am
I'm less than a man

That slowly changes out of phase And I don't know why it is It's an ever-changing simple thing That I miss While watching TV Take in what you say

So you're death is painless When all that I ever was Returns again I'm all that I am And I'll get it right When I get it right 'Cause I'll get it right When I get it right

But I'm slowly changing out of phase And I don't know why it is It's an ever-changing simple thing that I know But don't know why it is That I'm longing for A sweet embrace, which I miss Hurt
