

# Sweet Delilah

Hurt

Sweet Delilah come inside,  
Won't you mend my broken bones?  
The more that I get tossed aside  
The more I beg you not to go  
I'm building up a wall  
And I can't get over it  
I slip into the false again

I said woah,  
No you know I've been a fool  
And I said whoa,  
No I fell in love with you  
And I said whoa,  
No I know I've been a fool  
When i said..

Sweet Delilah can't deny  
That she was happy long ago  
25 and full of life  
The more I begged her not to know  
White paint up on the walls  
Pretty pictures of the day  
I slipped into the false again

I said woah,  
No you know I've been a fool  
And I said whoa,  
No I fell in love with you  
I said whoa,  
No I know I've been a fool  
And I said,  
Oh yeah

And I said whoa,  
No I know I've been a fool  
And I said whoa,  
No 'cause I fell in love with you  
And I said whoa,  
No well I know I've been a fool  
And I said

Ohh no you know I've been a fool  
And I said lord knows that I fell in love with you  
I said ohh no,  
Well I know I've been a fool and I said...
