

Sweet Delilah

Hurt

Sweet Delilah come inside,
Won't you mend my broken bones?
The more that I get tossed aside
The more I beg you not to go
I'm building up a wall
And I can't get over it
I slip into the false again

I said woah,
No you know I've been a fool
And I said whoa,
No I fell in love with you
And I said whoa,
No I know I've been a fool
When i said..

Sweet Delilah can't deny
That she was happy long ago
25 and full of life
The more I begged her not to know
White paint up on the walls
Pretty pictures of the day
I slipped into the false again

I said woah,
No you know I've been a fool
And I said whoa,
No I fell in love with you
I said whoa,
No I know I've been a fool
And I said,
Oh yeah

And I said whoa,
No I know I've been a fool
And I said whoa,
No 'cause I fell in love with you
And I said whoa,
No well I know I've been a fool
And I said

Ohh no you know I've been a fool
And I said lord knows that I fell in love with you
I said ohh no,
Well I know I've been a fool and I said...
