

The Seer

Hurt

You'd have to see it with my eyes, cause it sure was quite a sight, just the way she looked with men like me surrounding... Like needle in the eye at the party the other night, when she looked at me, I knew it'd be a good night.

Intervene us. Have you seen her like I have? Have you seen her? Have you looked at what I have?

If this is the chosen way, there's the thing to say, there goes a good friends alibi. Something is out of place in her drive way, you know it's me so good night. Goodnight.

As you intervene us. Have you seen her like I have? Have you seen her? Have you looked at what I have? She makes you feel just like a man, and thats the only thing I have! I am the seer. I am the seer.

So if this is his chosen way, to cure heartache. You cleaned up a needle with fire and told me Goodbye, Goodbye.

Goodnight! Goodbye!
Goodnight! Goodbye!
Goodnight! Goodbye!

As you intervene this. Have you seen her like I have? Did you reach it? Have you looked at what I have?

As you intervene this. Have you seen her like I have?
Oh, Have you seen it? Have you looked at what I have?
She makes you feel just like a man like that's the only thing I have, I am the seer. I am the seer.

Goodbye, goodbye, goodnight, goodbye.
