

# Beautiful Ones

Hurts

Pick up your phone, put on your coat  
Everyone's looking up at you  
Push through the crowd, into the sound  
Of everyone talking about you

Don't be afraid  
Honey, one day this will fade  
So put on a smile, do it in style  
Make them all desperate to be you  
Make them all desperate to be you  
Make them all desperate to be you

Don't think twice  
Give yourself to another night  
Hold on tight  
Hope that you make it out alive  
Ohh, we are the beautiful ones  
Ohh, we are the beautiful ones

It's just a phase, you're not to blame  
For everyone trying to please you  
But you're too young to come undone  
So don't let them try to deceive you

Don't be ashamed  
Honey, one day this will fade  
So put on your coat, give them a show  
Make them all desperate to be you  
Make them all desperate to be you  
Make them all desperate to be you

Don't think twice  
Give yourself to another night  
Hold on tight  
Hope that you make it out alive  
Ohh, we are the beautiful ones  
Ohh, we are the beautiful ones

We are the, we are the  
We are the beautiful ones  
We are the, we are the  
We are the beautiful ones  
We are the (we are the), we are the (we are the)  
We are the beautiful ones  
We are the, we are the  
We are the beautiful ones

We are the, we are the  
We are the beautiful ones  
We are the, we are the  
We are the beautiful ones  
We are the (we are the), we are the (we are the)  
We are the beautiful ones  
We are the, we are the  
We are the beautiful ones

Oh baby, don't think twice

Give yourself to another night  
Hold on tight  
Hope that you make it out alive  
Ohh, we are the beautiful ones  
Ohh, we are the beautiful ones

Beautiful, so beautiful  
Beautiful, so beautiful  
Beautiful, so beautiful  
Beautiful, so beautiful  
Beautiful, so beautiful  
Beautiful, so beautiful  
Beautiful, so beautiful  
We are the beautiful ones
