

# Hold on to Me

## Hurts

Fear written on your face like something's wrong here  
Staring out the window, holding back tears  
Looking for the people we both know  
Where did we go?

Shadows moving  
There are so many words we're not saying  
There are so many words we're not saying

But this is not the way,  
it's not the way it's meant to be  
And I know right now it hurts  
But just don't give up on me  
No, this is not the way, it's not the way it's meant to be  
And I know this ship is burning  
But I won't take you down with me

And when you feel like letting go,  
that's when you hold on  
When you feel like letting go,  
that's when you hold on to me

And you know that "sorry"  
Has never been my strength, so please forgive me  
But you're not the only one here feeling lonely  
Looking for somebody we once knew  
There's so much to lose

And the shadows moving  
There are so many words we're not saying

This is not the way, it's not the way it's meant to be  
And I know right now it hurts  
But just don't give up on me  
No, this is not the way, it's not the way it's meant to be  
And I know this ship is burning  
But I won't take you down with me

And when you feel like letting go,  
that's when you hold on  
When you feel like letting go,  
that's when you hold on to me  
When you feel like giving up,  
that's when you hold on to me  
Hold on to me

This is not the way, it's not the way it's meant to be  
And I know right now it hurts  
But just don't give up on me  
No, this is not the way, it's not the way it's meant to be  
And I know this ship is burning  
But I won't take you down with me

When you feel like letting go,  
that's when you hold on  
When you feel like letting go,  
that's when you hold on to me

Hold on to me
