

# Nothing Will Be Bigger Than Us

Hurts

When my heart doesn't beat like it used to  
It's so easy to see that I don't need you  
But it's harder to say that to leave you  
I needed a reason  
I'm walking away cause I don't wanna face what I'm feeling

When I'm out of love, I turn and I run  
But only you can make it better  
Nothing will be bigger than us  
When we're standing side by side

Oh, oh, nothing will be bigger  
Nothing will be bigger  
Oh, oh, oh  
When I'm out of love  
When I'm out of love

When my heart doesn't beat like it used to  
When it's easy to see I don't need you  
It gets harder to love you, harder to hide what I'm feeling  
And I'm lost in the night, going out of my mind  
But I try not to think anymore

When I'm out of love, I turn and I run  
But only you can make it better  
Nothing will be bigger than us  
When we're standing side by side

Oh, oh, nothing will be bigger  
Nothing will be bigger  
Oh, oh, oh  
When I'm out of love  
When I'm out of love  
Oh, oh, nothing will be bigger  
Nothing will be bigger  
Oh, oh, nothing will be bigger  
Nothing will be bigger

When I'm out of love, I turn and I run  
But only you can make it better  
Nothing will be bigger than us  
When we're standing side by side  
When I'm out of love, when I'm out of love  
When I'm out of love, when I'm out of love

Oh, oh, nothing will be bigger  
Nothing will be bigger  
Oh, oh, nothing will be bigger  
Nothing will be bigger
