

# Thinking of You

Hurts

Hung up on love on a Thursday  
Can't shake it off by Friday night  
I fall for you on a Saturday  
But I'm on my own on a Sunday

Can't stop, can't stop  
If I wanted to  
Can't stop, can't stop  
I know I'm a fool  
Can't stop, can't stop  
I know you dream of me  
I won't stop if this is real

Whatever I do (Ooh, ooh, ooh, ooh)  
I'm thinking of you  
Every time I lay down  
Every time I wake up  
Every night I try but it just won't stop  
Whatever I do  
I'm thinking of you (Ooh, ooh, ooh, ooh)

It's hard waking up on a Monday  
Knowing I won't see you till Tuesday night  
My minds made up on a Wednesday  
It's been one week since that Thursday

Whatever I do (Ooh, ooh, ooh, ooh)  
I'm thinking of you  
Every time I lay down  
Every time I wake up  
Every night I try but it just won't stop  
Whatever I do  
I'm thinking of you (Ooh, ooh, ooh, ooh)

I'm thinking about ya  
I'm thinking about ya  
I'm thinking about ya  
I'm thinking about ya

Whatever I do (Ooh, ooh, ooh, ooh)  
I'm thinking of you  
Every time I lay down  
Every time I wake up  
Every night I try but it just won't stop  
Whatever I do  
I'm thinking of you (Ooh, ooh, ooh, ooh)
