

# Weight of the World

Hurts

I've got trouble on my mind  
I see the cracks in the open sky  
I feel the lightning illuminate the pain inside  
I don't know what I will find deep inside

I feel the weight of the world  
Weighing on my mind  
I can't carry the earth  
I'm not strong enough

I've got trouble on my mind  
I've got trouble on my...

With every joy that you display  
A little piece of me just fades away  
And all around me, the fallen angels hit the ground  
And I can't catch them as they're raining down

I feel the weight of the world  
Weighing on my mind  
I can't carry the earth  
I'm not strong enough

I've got trouble on my mind  
I've got trouble on my mind

Set me free, shed this off with me  
Don't let me down, don't let me go  
Don't let me down bare this weight alone  
Don't let me down, don't let me go

I feel the weight of the world  
Weighing on my mind  
I can't carry the earth  
I'm not strong enough

Don't let me down, don't let me go  
I've got trouble on my mind  
Don't let me down, don't let me go  
I've got trouble on my mind  
Don't let me down, don't let me go  
I've got trouble on my mind  
Don't let me down, don't let me go  
I've got trouble on my mind
