

# Wherever You Go

Hurts

The silly little things  
Keep me running back to you  
You don't know what I say  
Gonna make it clear for you  
Gonna help you see the truth

So wherever, wherever you go  
Wherever, wherever you go  
I'll be the one  
To let you know that  
Wherever, wherever you go  
Wherever, wherever you go  
I'll be the one  
I'll be the one  
To let you know

In my eyes you are a perfect work of art  
So I'll keep on letting you know  
I'll keep on letting you know  
Sometimes it's hard  
To remember that you are  
So I'll keep on letting you know  
I'll keep on letting you know  
Wherever you go

Don't you worry 'bout a thing  
Even if you don't believe  
There's somebody inside  
That I'm dying for you to see  
Just look inside for me  
Even if you don't believe it

So wherever, wherever you go  
Wherever, wherever you go  
I'll be the one  
To let you know that  
Wherever, wherever you go  
Wherever, wherever you go  
I'll be the one  
I'll be the one  
To let you know

In my eyes you are a perfect work of art  
So I'll keep on letting you know  
I'll keep on letting you know  
Sometimes it's hard  
To remember that you are  
So I'll keep on letting you know  
I'll keep on letting you know

I'll be the one to set you right  
If you don't feel the love tonight  
Don't let go  
Don't let go  
Don't let go  
If you don't see the stars tonight  
I will set the world alight

So don't let go  
Don't let go  
Don't let go

Cause in my eyes you are a perfect work of art  
So I'll keep on letting you know  
I'll keep on letting you know  
Wherever you go  
Wherever you go  
Wherever you go...

Wherever, wherever you go  
Wherever, wherever you go  
I'll be the one  
(Wherever you go, Wherever you go)  
Wherever, wherever you go  
Wherever, wherever you go  
I'll be the one  
I'll be the one
