

## Until Tomorrow

Hybrid

You drink your health  
And remember to forget  
Yourself  
Sat on a roof  
In the everlasting moments of your youth  
You looked surprised  
As it all went up in smoke before your eyes  
Beneath the glow  
On a different kind of Sunday morning

Until tomorrow On a different kind of Sunday morning

No need for words  
Your heartbeats and the breeze was all I heard  
Your hopes and fears  
How trivial it seemed from above  
I breathe you in  
As the sunlight breaks the haze that touched your skin  
Beneath the glow  
On a different kind of Sunday morning
