Karada wo kaishite dakishime aeba surprise Kuuryoku no kaihou tamashii wa mou arise

You're part of me,
we're melting into each other
Life's mysteries, no,
none of it seems to matter
I can feel I can feel
I can feel I can feel
Waiting for this time
I can feel I can feel
I can feel I can feel
Now the truth is mine

I didn't notice you here, so near Words, we don't need them this soup of the soul

Marude toke nakatta Kokoro no PAZURU complete Saigo no PIISU ga ima Umekomareta so sweet

You're part of me,
we're melting into each other
Life's mysteries, no,
none of it seems to matter
I can feel I can feel
I can feel I can feel
Waiting for this time
I can feel I can feel
I can feel I can feel
Now the truth is mine
