

Heart To Life

Hyland

So let's start this over
Woa-oa-oa-oh
It just takes the littlest spark
To get your heart, to get your heart start beating again

Is this the end?
I know that you need this
I'm your match tonight
And oh, let's make amends
And this is the season
Where hearts re-ignite and

"Soul mates" is a strong phrase
Where do we go when
Our face is getting in our way?

I'm playing a game that'll catch your eye
I'm fallin' in love for the last time (woa-oa-oa-oh)
We have tonight (woa-oa-oa-oh)
To bring your heart to life
I'm praying for courage to speak my mind
I'm head-over-heels and I'm tounge-tied (woa-oa-oa-oh)
We have tonight (woa-oa-oa-oh)
To bring your heart to life

One last bet
My money's on you, babe
I'm callin' your bluff and oh
I can't forget
To tell that to your face
I'm goin' all in and

"Soul mates" is a strong phrase
Where do we go when
Our face is getting in our way?

I'm playing a game that'll catch your eye
I'm fallin' in love for the last time (woa-oa-oa-oh)
We have tonight (woa-oa-oa-oh)
To bring your heart to life
I'm praying for courage to speak my mind
I'm head-over-heels and I'm tounge-tied (woa-oa-oa-oh)
We have tonight (woa-oa-oa-oh)
To bring your heart to life

And all of these things that
Get in the way
And love at first sight is
Your greatest mistake
And I've got my reasons
I'm leavin' tonight
And love is remorse when
You don't give it a try

I'm playing a game that'll catch your eye
I'm fallin' in love for the last time
We have tonight

To bring your heart to life
I'm praying for courage to speak my mind
I'm head-over-heels and I'm tounge-tied (woa-oa-oa-oah)
We have tonight (woa-oa-oa-oah)
To bring your heart to li-i-ife

So let's start this over
