

The One That Got Away

Hyland

You think you're so clever, dear
You got me all figured out
You tell me all the things I wanna hear
And how you swear there's nobody else

You think I'm so taken, now
And swept right off my feet
I don't think we'll make it out
Cuz you'll be the death of me

Hey girl, you think you're so clever
But you're makin' mistakes (ooh-ooh)
We should be together (we should be together)
But I'm playin' it safe
Oh no, you think you're so clever
But you're makin' mistakes (mistakes) (ooh-ooh)
We should be together (we should be together)
But I'll be, I'll be the one that got away

I think you're so insincere
Your words are lost on me
I tell you all the things you oughta hear
Your world, it's make-believe

You think I'm so taken, now
And swept right off my feet
I don't think we'll make it out (it out)
Cuz you'll be the death of me

Hey girl, you think you're so clever
But you're makin' mistakes (ooh-ooh)
We should be together (we should be together)
But I'm playin' it safe
Oh no, you think you're so clever
But you're makin' mistakes (mistakes) (ooh-ooh)
We should be together (we should be together)
But I'll be the one

You'll never soon forget
The one inside your head
Now you can't pretend
I'm your one and only friend
Your one honest regret
The one
I could have been the one

Hey girl, you think you're so clever
But you're makin' mistakes (mistakes)
We should be together (we should be together)
But I'm playin' it safe
Oh no, you shoulda known better
But you're caught in a game
We could be forever
But I'll be, I'll be the one that got away
