

Candy Store

Hyper Crush

I'm the boss, I lead the pack
What kind of freak is that?
She's hot, she's got it goin', and she's got it showin'
Vicious, she does my dishes
BITches on a mission listen
Just shake it off, go ahead girl take it off

I met this chick at the Candy Store, the type of chick you can't ignore
No, she's hot as hell, she had a lot to tell
A full grown german sheperd, man she looked perfect naked
And she said her name was Buffy, but I just called her hussy

Ride with me, slide with me, gotta get the vibe with me

Long legs, bitchin' boobies, she was like a vision to me
God damn, knock it off, hotter than a
Molotov, cocktail take it down. T-t-t-t-take it down
Op, the Candy Store, you're buyin' shit you can't avoid
Ho, you got it girl, I'd walk across the world
Blessed with a lot of spit, sex with a lot of chicks
Strawberry leakin' juice, girl I got the sweetest tooth
Lollipop, cold Pepsi, let me tell you where she met me

I met him at the Candy Store
I met (5x)

(4x)
Ride with me, slide with me, gotta get the vibe with me.
