

Kick Us Out

Hyper Crush

Get loud
Like we own it!
We take the party with us everywhere we goin'!
They wanna shut it down
But they gon' have to kick us out
Because we bring it on and on and on

They wanna kick us out (kick us out the club)
It's goin down
Everybody grab yo drink
We gon' take it to the house.

Then we so out of control (trol)
We make it hot
And then we let the bottles pop
