Marching out of divinized guts of the world through sick forest of human minds surrounded by Christian worms we're awaiting the dusk day of final invocation I am the winner, God bless Satan!

Endorsed by Satan

Visible and invisible protector of light Horny guardian angel, psora medicine with favourite toy Crucifix, him-father Antichrist Day of final invocation I am the winner, God bless Satan

Endorsed by Satan

Screech

The sweetest thing to hear Orgasmic bogus harmonies Fear The most thrilling thing to see Scared to death of reveries

Marching out of hypocrisy marching out of wimps, supper made of earwigs pulses on, hanging out with f/r/iend, laughing off to all, day of final invocation I am the winner, God bless Satan!
